Cloud Services

General information

There are several cloud-based services for general use for staff, researchers, faculty and students. Each of these cloud services has its specific benefits and may target different groups of users.

Cloud services available are:

• Google G-Suite for Education

ttps://www.google.com (login in format name.surname@cerge-ei.cz)

Microsoft Office 365
 https://www.office.com
 (login in format name.surname@cerge-ei.cz)

CESNET (OwnCloud, Filesender, Remote Education Support, Meeting services)
 https://owncloud.cesnet.cz/ , https://filesender.cesnet.cz/ , https://cesnet.zoom.us ,
 https://meetings.cesnet.cz
 (login with CUNI CAS account)

Microsoft Office 356 and Google G-Suite are complex software ecosystems so their adoption is a long-term gradual process mostly driven by a specific needs of the individual users or teams.

Google G-Suite for Education

Cloud-based G Suite for Education is a suite of free Google apps tailored specifically for schools.
