

Forward settings

Read carefully in advance: [Charles University GDPR - Guideline 3 – Use of private e-mail addresses](#)

- *“... automatic forwarding from an e-mail account under the cuni.cz domain to another e-mail account of the employee is possible only if the organization managing the target e-mail account is one of the organizations specified ...”*
- *“... the use of e-mail accounts outside the cuni.cz domain (or outside the domain of cooperating university hospitals, the Academy of Sciences, etc.) is problematic from the standpoint of cybersecurity.”*

How to set redirecting of messages to external mailbox.

- Open webmail <https://mail.cerge-ei.cz>, use your ordinary login and password.
- Find Preferences/Receiving Messages, see picture
- Set your proper remote address, double check its correctness
- Save the settings, button in upper left corner

Hints

- Do not forget to check “Do not keep a local copy” if you do not plan to regularly clean the cerge-ei mailbox
- Do not create the loop. Do not set two redirects in opposite directions.
